What improvements could be introduced to amenities such as open spaces, leisure sites, walking and cycling routes to promote healthy living, and what facilities for informal recreation that would enhance the quality of life for local people.

<table>
<thead>
<tr>
<th>Site address / area</th>
<th>What improvement would you like to see?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dunkirk Primary School</td>
<td>This site must be turned into a sports leisure facility. All the infrastructure is already there, it would be a shame to turn it into houses.</td>
</tr>
<tr>
<td>Boughton Village Hall</td>
<td>Can be turned into a sporting facility, integrated with the existing grounds.</td>
</tr>
<tr>
<td>Perry Wood</td>
<td>Toilets</td>
</tr>
<tr>
<td></td>
<td>Picnic areas – more of them</td>
</tr>
<tr>
<td>Chilham Lakes</td>
<td>Parking</td>
</tr>
<tr>
<td></td>
<td>Better access to footpaths</td>
</tr>
<tr>
<td></td>
<td>More signs</td>
</tr>
<tr>
<td>St.Paul’s Road</td>
<td>Speed bumps because of excessive speed of vehicles, cars, motorcycles, quad bikes etc</td>
</tr>
<tr>
<td>Main Rec. Poplar view. Small park</td>
<td>Have 3 parks. Main park is now very good – due to villagers – other 2 in need of help</td>
</tr>
<tr>
<td>The Street</td>
<td>Traffic calming and speed restrictions (20) and no lorries</td>
</tr>
<tr>
<td>Courtenay Road playing field</td>
<td>Put a children’s playpark for young kids, skateboard, scooter, bike ramps</td>
</tr>
<tr>
<td>Courtenay Road RAF</td>
<td>Fence half ground off. Build two small buildings one a shop ad 2 a fish and chip shop. Residents will like that and local people can run it. Put dog bins up in public bridleways, roads and woods so dog mess doesn’t harm kids or mess on paths. Safe cycling routes in and around the village</td>
</tr>
<tr>
<td>Public Footpaths</td>
<td>Unsure which are suitable for pushchairs. Live in countryside but don’t feel able to utilise with buggy as not safe</td>
</tr>
<tr>
<td>Cycle parks</td>
<td>Identifies, publicised cycle routes</td>
</tr>
<tr>
<td>Recreation Ground</td>
<td>Outdoor gym – type seen in public parks</td>
</tr>
<tr>
<td>Woods</td>
<td>Cycle Path?</td>
</tr>
<tr>
<td>Boughton under Blean</td>
<td>Speed control in the Street, currently under regulated, no speed controls, no digital control, lack of speed restriction signs</td>
</tr>
<tr>
<td>Boughton under Blean</td>
<td>Poor management by Parish Council of allotments</td>
</tr>
</tbody>
</table>
Boughton under Blean

Dunkirk

Boughton

Boughton Recreation Ground

Recreation Ground

Boughton Recreation ground

All roads

Speed limits dropped lower in built up areas

Local footpaths

All alleyways / walkways

Cycling between Boughton and Faversham currently dangerous

The Street Boughton and A2 Dunkirk and all Footpaths and roads

Footpaths in our 2 villages

Street signs cleaned and repaired

Boughton Rec.

Alleyways and public footpaths

Boughton Recreation Ground

Poplar View

The Boughton Park by the Village Hall

Village Hall

Village Rec / park

Boughton

Q1O . 2

LEAVE THIS VILLAGE BE!

Swale footpaths

Village Centres

Boughton Park

Poor communication by Parish Council of its work, its finances. Little communication with residents

A Playpark for children and older s=children / youth facilities. Cycle and walking footpaths

A youth centre for older children. Cycle and footpaths

Improved maintenance of footpaths

Outdoor gym equipment

Adult gym equipment

Tennis Courts

Repairs to potholes which are very dangerous for cyclists

But don’t expect it will ever happen

Attention to all that are under public ownership (farmers HAVE to maintain them)

Need tidying and to be maintained regularly

Cycling only routes avoiding main roads

There should be an organised litter pick up twice a year. The area is filthy with litter. My husband and I are always picking up other people’s litter. People seem to walk past and ignore it.

Kept clear of weeds

Dawes Rd crossroads sign j /w Stoney Rd is bent

Berkeley Close sign is old and dirty. Needs replacing

No road markings at j/w Fernleigh Close & Stoney Rd

No road markings at j/w Berkeley Close & Stoney Rd

DANGEROUS

More footpaths

An outdoor gym area, like that outside Chartham Village Hall

Keep them cleared back and tidy

Free tennis courts

New fencing around residential car park and new goal posts

A running track around the outside of the football pitch

Affordable pricing for more activities, badminton, tennis, wi, crafts

Tennis courts, picnic area

Allotments

More regular maintenance enhance ease of use

Designated cycle paths through villages linking up with wider cycle networks

Hard Tennis Court 5 a side football surface

Keep fit trail

Make sure all amenities allow for wheelchairs and disabled
people eg cycle route should be wide enough for wheelchair type cycle
Paths
Ensure they are cut back as we have been for family walks and had to turn back because of pathways pathway overgrown
Recation Ground
A tennis court would be huge benefit
Toddler pool?
Village Hall
More pop-ups? Eg tea shop, local farmers market, coffee shop. – something for the community. Better access to toilets
Boughton
footpaths need clearing
OK as it is (DUNIRK)
Cycle paths in all areas safe for all
Tennis courts
There are in our opinion ample facilities already
Bull Lane Rec
All purpose sports pitch for tennis, netball, basketball, hockey, 5 a side football
We live in the countryside and as such need no other facilities to lead a healthy life style
Safe cycle route, clearly marked. More footpaths, clearly marked
A map showing where cycle routes and footpaths are located
Boughton Rec park
Tennis Court
Poplar View Recreation Ground
Better upkeep so it can still be used for football and other games
Improvements to all footpaths especially hedge cutting and path clearance
Entrance to footpath which runs parallel with
Ground is very cambered and drops down
The stream (off Colonel’s Lane / The Street)
steeply into the little stream, which runs parallel with Boughton Street. Woud make a ovely scenic walking route with baby but too rough and cambered to walk with buggy.
The entrance at the Colonel’s Lane end (near the weir and environment Agency signs) is difficult to get round with buggy and the footpath itself is littered with hazards and ironmongery embedded in the ground
The South Street Village hut and the area around it
The hut and the area around it could be an excellent heart for the South Street area. A children’s playground would be good
Around all the area
Cycling, horse riding, running, walking a lot of this activity is happening
GET TRAFFIC TO SLOW DOWN MORE BETTER SIGNAGE
Staplestreet between “Woodmans” and Staplestreet
Footpath and traffic calming
Staplestreet to Hernehill
Footpath and traffic calming
Footpaths linking Boughton and Staple Street
Widen, hard surface and more regular control of undergrowth
None it’s a good use of town and countryside – all needs in Faversham and Canterbury
The Rec
More use
Dunkirk Football field
Walking routes / footpaths
Cycle Routes
Footpath along Horselees Rd, behind the house that runs alongside A2
Dawes Rd junc between Stoney Rd and Thread Lane
Footpath from Berkeley Close to Stoney Rd
All
Boughton Village Green
Lower Dunkirk / East Boughton
Footpaths generally. Routes
Village Hall Green at Boughton (Park) ie Recreation Ground
Purchase of field in Dunkirk Recreation Ground
All roads
Village Hall
In general
NOT SURE
Footpaths
Parking
Bull Lane recreation Area
Not many (any) areas left it would be worse with more development
Bounds Lane etc
Bosenden Wood, Recreation Ground
Green site & football field, Courtenay Rd
Play area at bottom of Courtenay Rd (opposite Maytree)

More use
Better signage / maps in the village
Routes into Canterbury / Faversham avoiding A2 and clearly marked
Anti-motorbike gates
A sign to be placed by Bofor Gate entrance for cyclists to be aware of cross roads
Badly needs re-tarmacking
Better paths and disabled access
We walk in countryside and there can be no improved apart from footpath maintenance
All footpath to be kept clear of over-grown vegetation
Adult exercise trail
Maybe somewhere for a BBQ or picnic area with some exercise equipment for adults and swings for children
There isn’t an area here of children to play
Weeds cut back and kept open for walking marked as shorter, longer, circular walks – grading as “easy” etc
Exercise equipment for senior citizens as at Littlebourne Village Green
Open up for community use as in Boughton
Tennis Court
Repairment of potholes and regular gritting during the winter
Tennis Court
Keep footpaths clear in summer
Cycle routes
An area for motor cycle users to keep them off our crowded street where children play
Needs to be cleared and maintained more regularly
Not enough parking for current village visitors
More effective policing, Community Police presence, more CCTV
Improve existing sites with more seating refreshments available and shelters for bad weather
By-way provision on narrow lanes for pedestrians, cyclists, riders
Clear footpaths across land
Maintain all walls (?) areas
Cycle tracks and Fitness Course
Tennis Court(s)
Facilities for young & older children. Swings, slides etc benches all sited on safe surfaces
Proper children play park with safe equipment

<td>Very bad condition over total length needs complete renovations (nag Kent highways!!!)</td>
</tr>
</tbody>
</table>
Seat at Street bus stop to BuB to Faversham

Recreation Ground
Adult exercise equipment – outdoor permanent fixtures
tennis / football / basketball pitch is under discussion

Walking, cycling, riding
Probably one of the most beautiful places to walk, cycle,
ride. Improved safer cycle routes could be developed.
Perhaps a footpath / route dedicated to disabled users who
are at present prevented from travelling by awkward gates.

Boughton the Street
Brought back to life. It is run down

Walking path side of Gas Lane gets used as a dump – cleared
up so is a pleasure to walk

Bounds Lane area
Clearer footpaths as regularly overgrown with nettles and
brambles

Boughton Park
Outside gym equipment

Around the Bounds
Cut back overgrowth

Boughton Rec
Specific BarbeCue area – either to bring your own BBQ
along or a permanent one that can be used by the public

Plenty of this stuff around already

The Ridgeway Boughton
Needs trees planted p the green. Notices for dog fouling. No
parking of cars on the green. Traffic calming for traffic
using the nursery. While children are playing on the green
and riding their cycles. Parents delivering to and from Day
Nursery speeding and careless parking on pavements.

We have plenty

Trimming back hedgerows and keeping walking routes clear
of overgrown weeds

Boughton / Dunkirk to Faversham /Canterbury
Dedicated cycle routes

Whole area
To make cycling, walking and horse riding much safer –
improved road surfaces, more pavements, cycle paths,
cutting back roadside hedgerows and ban articulated lorries
and more speed restrictions, speed awareness signs

Blean Woods
Cycling routes

Courtenay rec sports field
Children’s play area and / or adult fitness facilities

Footpaths (generally)
Better maintenance of existing footpaths (many very
overgrown)

Woodland
Reversal of trend for private woodland / extensive cutting
back of trees now excessive

Footpath to Hernhill
Drainage near stream – runs of Henry’s land
Cycling routes

Woodland
Rides, Picnic areas, cycle ways etc

All the items listed in Q 14 are very important.
